APPOINTMENT OF SIR JOHN IGWE AS ENUGUUSA MEDICAL MISSION MANAGING DIRECTOR

The Office of the President is pleased to present to the leadership of the Board of Directors the appointment of **Sir John Igwe** as the **Managing Director of the EnuguUSA Medical Mission**. This is a new appointment intended to strengthen the administrative and managerial coordination of the Medical Mission.

Sir John Igwe was born in Aku, Igbo-Etiti Local Government Area of Enugu State. In pursuit of greater opportunities, he migrated to the United States, where he continued his education and professional development.

Sir Igwe holds a bachelor's degree in Health Science, with studies in Healthy Lifestyle Coaching and Nutrition at Arizona State University. He also earned a Diploma in Medical Billing and Coding.

He currently operates and manages a clinic with his wife, Dr. Chinyere Igwe. The clinic provides services to both medical and psychiatric patients. His experience in managing a healthcare practice, coordinating operations, and supporting patient-care services makes his background well suited to the responsibilities of Managing Director of the EnuguUSA Medical Mission.

Sir Igwe has also demonstrated long-standing service and leadership within EnuguUSA. He served as Secretary of EnuguUSA Arizona from 2005 to 2015. Since 2023, he has served as President of EnuguUSA Arizona. He also represented the Arizona Chapter as a member of the EnuguUSA Board of Directors from 2023 to 2026.

In this new role, Sir John Igwe will work with the Medical Mission leadership and appropriate EnuguUSA authorities to support effective planning, coordination, administration, and execution of the organization's medical mission activities.

The Office of the President respectfully presents this appointment to the Board of Directors leadership and looks forward to working collaboratively to support Sir John Igwe as he assumes this important responsibility. Please join me in congratulating Sir John Igwe on his appointment and in wishing him success in this new role.
Best Wishes,
